True to the Trump brand and beautifully decorated by Ivanka Trump herself, this 800-acre jewel of the Miami coastline features prestigious villa-style accommodations with patios and balconies with views of the golf course. Each room is beautifully decorated in neutrals and gold-leaf using classic Spanish revival details. Relax by the Royal Palm Pool in one of its 18 private cabanas, play a round of tennis or treat yourself to the luxurious Trump Spa.

NOTE: When booking your hotel reservation, do not call the hotel directly. Use only the reservation link inside the registration website.

GOLF at Trump National Doral

A round of golf at a Trump course is an experience like no other. With four championship courses to choose from, planning which one would host our 8th Annual Tournament was a no-brainer!

The world-famous **Blue Monster** course has hosted the PGA TOUR for 55 consecutive years and is on every serious golfer's bucket list. Players can experience a state-of-the-art Musco LED lighting system that enables you to practice late into the evening (to get yourself ready for that challenging 18th hole!) and the 7,000 sq ft pro shop is the largest in the world. **You must arrive in Miami by Saturday August 15 to play in the tournament on Sunday morning, August 16** but you'll also want to have enough time to visit the **True Spec** Golf fitting lab and the world-famous **Rick Smith Golf Performance Center** while you're here. Using amazing robotic technology, you will be able to take the actual swing of one of golf's greatest players. If you've ever wondered what it feels like to take the same swing as Tiger Woods or Jack Nicklaus, don't leave the Trump Doral without seizing an opportunity to find out!

PRIMARY VENDOR

Current Primary Vendors that wish to be reconsidered for another 3-year term, or Approved Vendors that wish to become Primary for their category, will make a 10-minute presentation to the membership (only) on the morning Monday, **August 17**. A schedule of presentations will be developed and mailed to all primary vendors. Projector and laptop will be provided, vendor's power point presentation will be preloaded and ready for you. *Due to the quick turnaround of these presentations, no handouts are allowed.*

POTENTIAL VENDORS

Potential Vendors intending to present to the AIWD membership and compete for Approved Vendor status will also make their 10-minute presentation to the membership (only) on the morning of **Monday August 17** so that the members will know who you are in advance of the trade show, and what value you may bring to the group if elected to join us. You will be asked to select this option during registration. Further instructions will be provided once you have registered as a potential, and a presentation time schedule will be developed and emailed to you. Projector and laptop will be provided, vendor's power point presentation will be preloaded and ready for you. *Due to the quick turnaround of these presentations, no handouts are allowed.*

BREAKOUT SESSIONS

Each year, we have an afternoon carved out in the schedule to allow our vendors to make a private presentation to a group of members for a small fee. These breakout sessions will be held on Tuesday afternoon, **August 18** from 1:00p – 4:00p. There will be 21 total time blocks available for vendors to reserve and are available on a first-come, first-serve basis during registration. As we near convention, all members will be sent a schedule of vendors that have registered for a breakout and are expected to register to attend one breakout session from each time block.

BACK BY POPULAR DEMAND: MEMBER-VENDOR SPEED "NETWORKING"

The member-vendor "Speed Dating" event at the 2019 convention was so successful, we're bringing it back again...but this year, it has a brand-new name! Our "Speed Networking" event is a series of 15-minute meetings between vendors and **potential NEW customers**. This activity will take place **Monday August 17** immediately after lunch, and your traditional contact booth day will take place on Tuesday morning. Hats off to all vendors that suggested this schedule after the Austin show. We agree it is a fantastic way to get the most bang out of the activity. Your AIWD Event staff can schedule your appointments for you this year and provide you with your meeting schedules in advance of the show. All you will need to do is send us the names on your "wish list."

VENDORS OF THE YEAR

We will be sending all AIWD members (present or not) a ballot via email prior to the convention to complete and return to us for Vendors of the Year. Members are asked to cast two votes, one for Primary Vendor and one for Approved. Ballots will be counted prior to convention and the winner will be announced at our Grand Reception, Tuesday August 18.

Transportation

Miami has two major airports. We recommend, if possible, that you book your flight into **Miami International (MIA)**, as it is the closest one to our property (see below). We are currently in negotiations with a local transportation company in an effort to provide our attendees with transportation from/to this airport during our peak travel days:

Arrivals: Saturday 8/15 thru Sunday 8/16
Returns: Wednesday 8/19 thru Thursday 8/20

If and when an agreement is confirmed, we will notify all attendees of this option.
Please continue to check the convention website for updates.
