TRADE SHOW & SOCIAL EVENTS

As a newcomer, you will be pleasantly surprised at how enjoyable an AIWD Convention can be! Complete with a robust trade show, interesting and informative speakers and important training sessions, an AIWD Convention will be filled with fun and memorable activities that everyone will enjoy.

Our four-day event traditionally begins with a first-class golf tournament and sponsored tours/activities. The off-site activities continue throughout the following 3 days so that your guest is well-entertained while you are involved in the conference/trade show schedule. Many of our members are small family business owners that wear many hats, finding it hard to get away from their business for too long. Our goal is to mix business with pleasure, and no one does this better than the AIWD by planning a meaningful business schedule in a vacation-type atmosphere.

Participate in our *Annual AIWD* **GOLF TOURNAMENT!**

It all started with our inaugural tournament in Orlando in 2013, and now we are proud to say it is one of the most popular and anticipated activities of our convention!

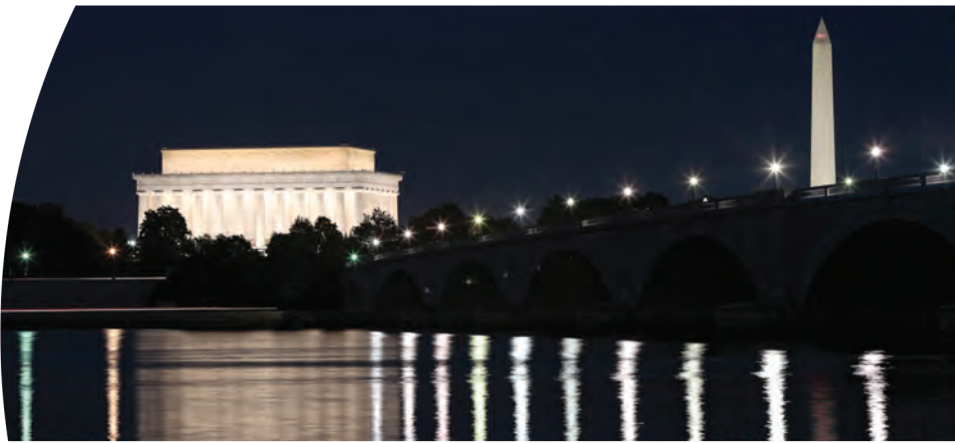

The AIWD Annual Golf Tournament always takes place at one of our host city's most enjoyable golf courses. We assure you that you will always enjoy a meticulously manicured course that is either on-property or a short distance away.

Our tournaments are fun for both the seasoned golfer as well as the weekend warrior or beginner. We know what an important networking opportunity these tournaments provide our guests while having a great time! Players are given first class motor coach transportation to/from the course, breakfast and hot lunch and participate in exciting, sponsored award challenges. Our tournament takes the day before vendor move-in and Welcome Reception, so there are no conflicts in meeting schedules. There's no better way to get to know your suppliers on a personal level and developing that strong relationship than spending 4 hours with them in a golf cart!
